

Designated Gestational Carrier Program

Psychological Evaluation for Designated Carrier	included
Escrow Management set up for independent escrow account	included
Legal representation fees for Gestational Carrier for contract	included
Management of carrier through IVF cycle and 1st trimester	included
All inclusive fee for Designated Gestational Carrier Services	\$6750

The purpose of the Designated Gestational Carrier program is to assist Intended Parents who have already found their carrier but would desire assistance in managing the cycle and the ensuing pregnancy. The goal is to manage the required evaluations and management of the IVF cycle and pregnancy in order to maintain the lines of communication open between Gestational Carrier and Intended Parents.

Additional expenses not covered under this agreement:

<i>Insurance vetting with licensed Insurance specialist</i>	<i>\$300</i>
<i>Background check/Child Abuse Registry/Credit Check</i>	<i>\$150</i>
<i>Social Work home visit for Gestational Carrier</i>	<i>\$400</i>
<i>Travel assistance (flights, hotels, rental cars, etc.)</i>	<i>Market Price</i>
