

3 Sisters Surrogacy Fee Exhibit A

Thank you for choosing 3 Sisters Surrogacy! Our team is committed to providing the very best experience for both you and your gestational carrier. We are proud to be offering one of the most cost-effective, straight-forward agency fees in the country.

We have several options for case-management - our fees include candidate recruitment, screening and interview, facilitation of the match process, including Skype and/or in-person meetings, assistance with scheduling travel and physician visits, support for both the parents and surrogate through the matching and clinical process leading up to confirmation of pregnancy. We also provide pregnancy and post-partum management through 4 weeks after delivery.

Please review the following pages and select which level of service is best for you. Installments can be paid by check or credit card (a 3% convenience fee applies for credit transactions).

Special Services

International Fee International case management fee is required for those living outside of North America.	\$1,500
In person case management We will send one of our case managers to be with your surrogate during procedures, appointment, birth, etc. Due 1 week prior to travel date. Billed in 1 hour increments plus actual travel lodging and meal expenses	\$50/hr.
Consultation Services For those couples wanting to manage their designated surrogate, we offer consultation by the hour to guide you along the way. Billed in 30 minutes increments.	\$150/hr.
On-Call Pregnancy Case Management Need to speak with one of our staff outside of weekly updates? We're available! Billed in 30 minute increments.	\$50/hr.
California Escrow Management Due to California law, all escrow accounts managed by California companies must first be reviewed and approved by 3SS. This fee covers the agency side of the process and will be in addition to the escrow company's fee. Due with 3 rd installment.	\$500

I/we understand the above costs, what all is included, and payment schedule for the 3 Sisters Surrogacy Fees. I/we understand that the payments are nonrefundable once paid, but that we are able to utilize it for a different carrier if (1) the gestational surrogacy candidate does not pass screening, or (2) the candidate is unable to proceed or declines to continue prior to contract phase. I/we acknowledge that all fees must be paid prior to embryo transfer or the procedure may be postponed. I/we have read and understand the payment structure as outlined in the Agency Agreement.
